SPOT INTELLIGENCE REPORT

SUBJECT: UNCONVENTIONAL AIRCRAFT  
(Batavia, New York)

TO: Director of Special Investigations  
Headquarters USAF  
Washington 25, D. C.

1. SYNOPSIS: Mrs. [REDACTED] Byron Road, R.D. #2, Elba, New York, wrote a letter dated 23 January 1951, directed to Offutt Air Force Base, stating that on or about 12 January 1951, she and her 6 year old son had seen from a window of their home a fast moving object with a bright white light.

2. DETAILS: A letter has been received from Mrs. [REDACTED], Byron Road, R.D. #2, Elba, New York, directed to Offutt Air Force Base, which reads as follows:

Dear Sir,

Since I read the piece in the Buffalo Evening News about the Mystery Plane, I have been thinking more about it. I think it was around the 12th Jan, my 6 yr. old son looked out the window and seen that bright white light. He said, to me, mother whats that light. I said, oh its a star. He said, no, its moving fast. Then I looked. I watched it clear out of sight over Batavia by then. The American and Capital Airlines go over here all the time, but you can see there colored lights blinking. This had just that one bright white light. We live between Rochester and Batavia, around South Byron.

I don't want this in the paper, maybe I was seeing things and thought know more about it until I read it in the paper. Now I wonder.
