Print 3

Object (circle) cannot be said to be in the distant sky. Obviously very small and near the camera. Such as would be the case of fireflies or moths.

Print No. 1

Whatever objects may be - Camera  
extremely close or out of focus

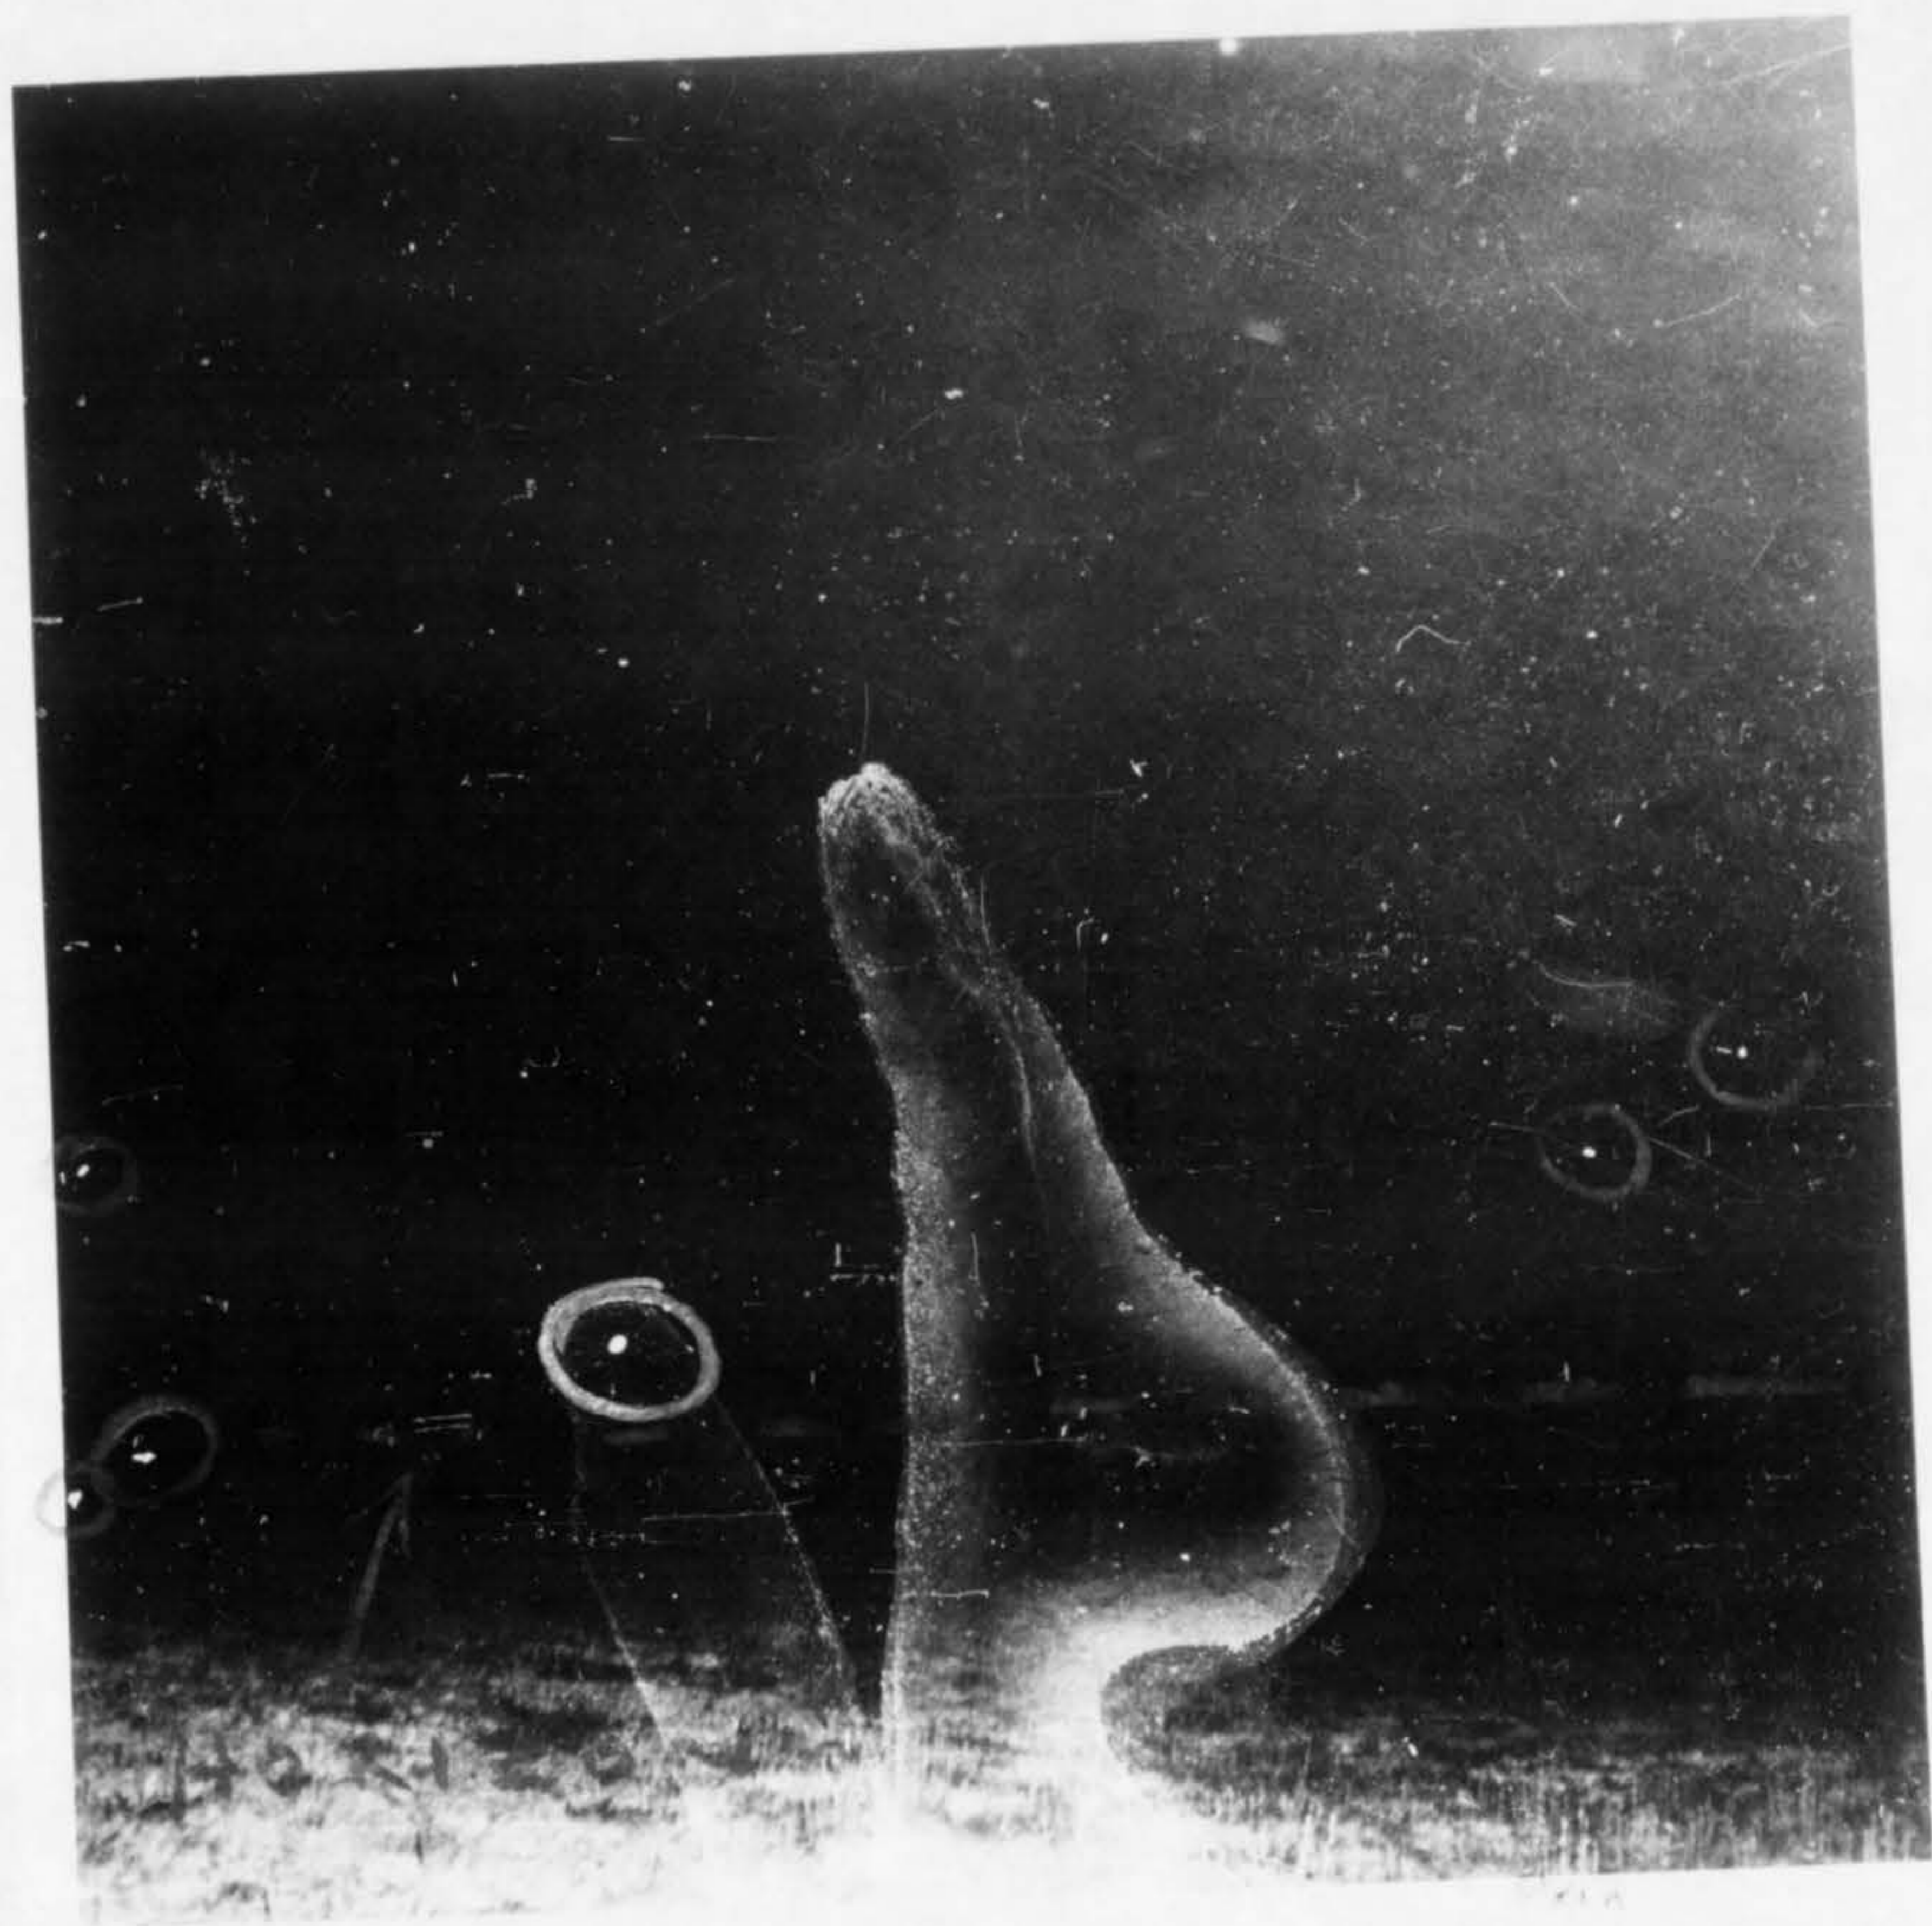

Print 2

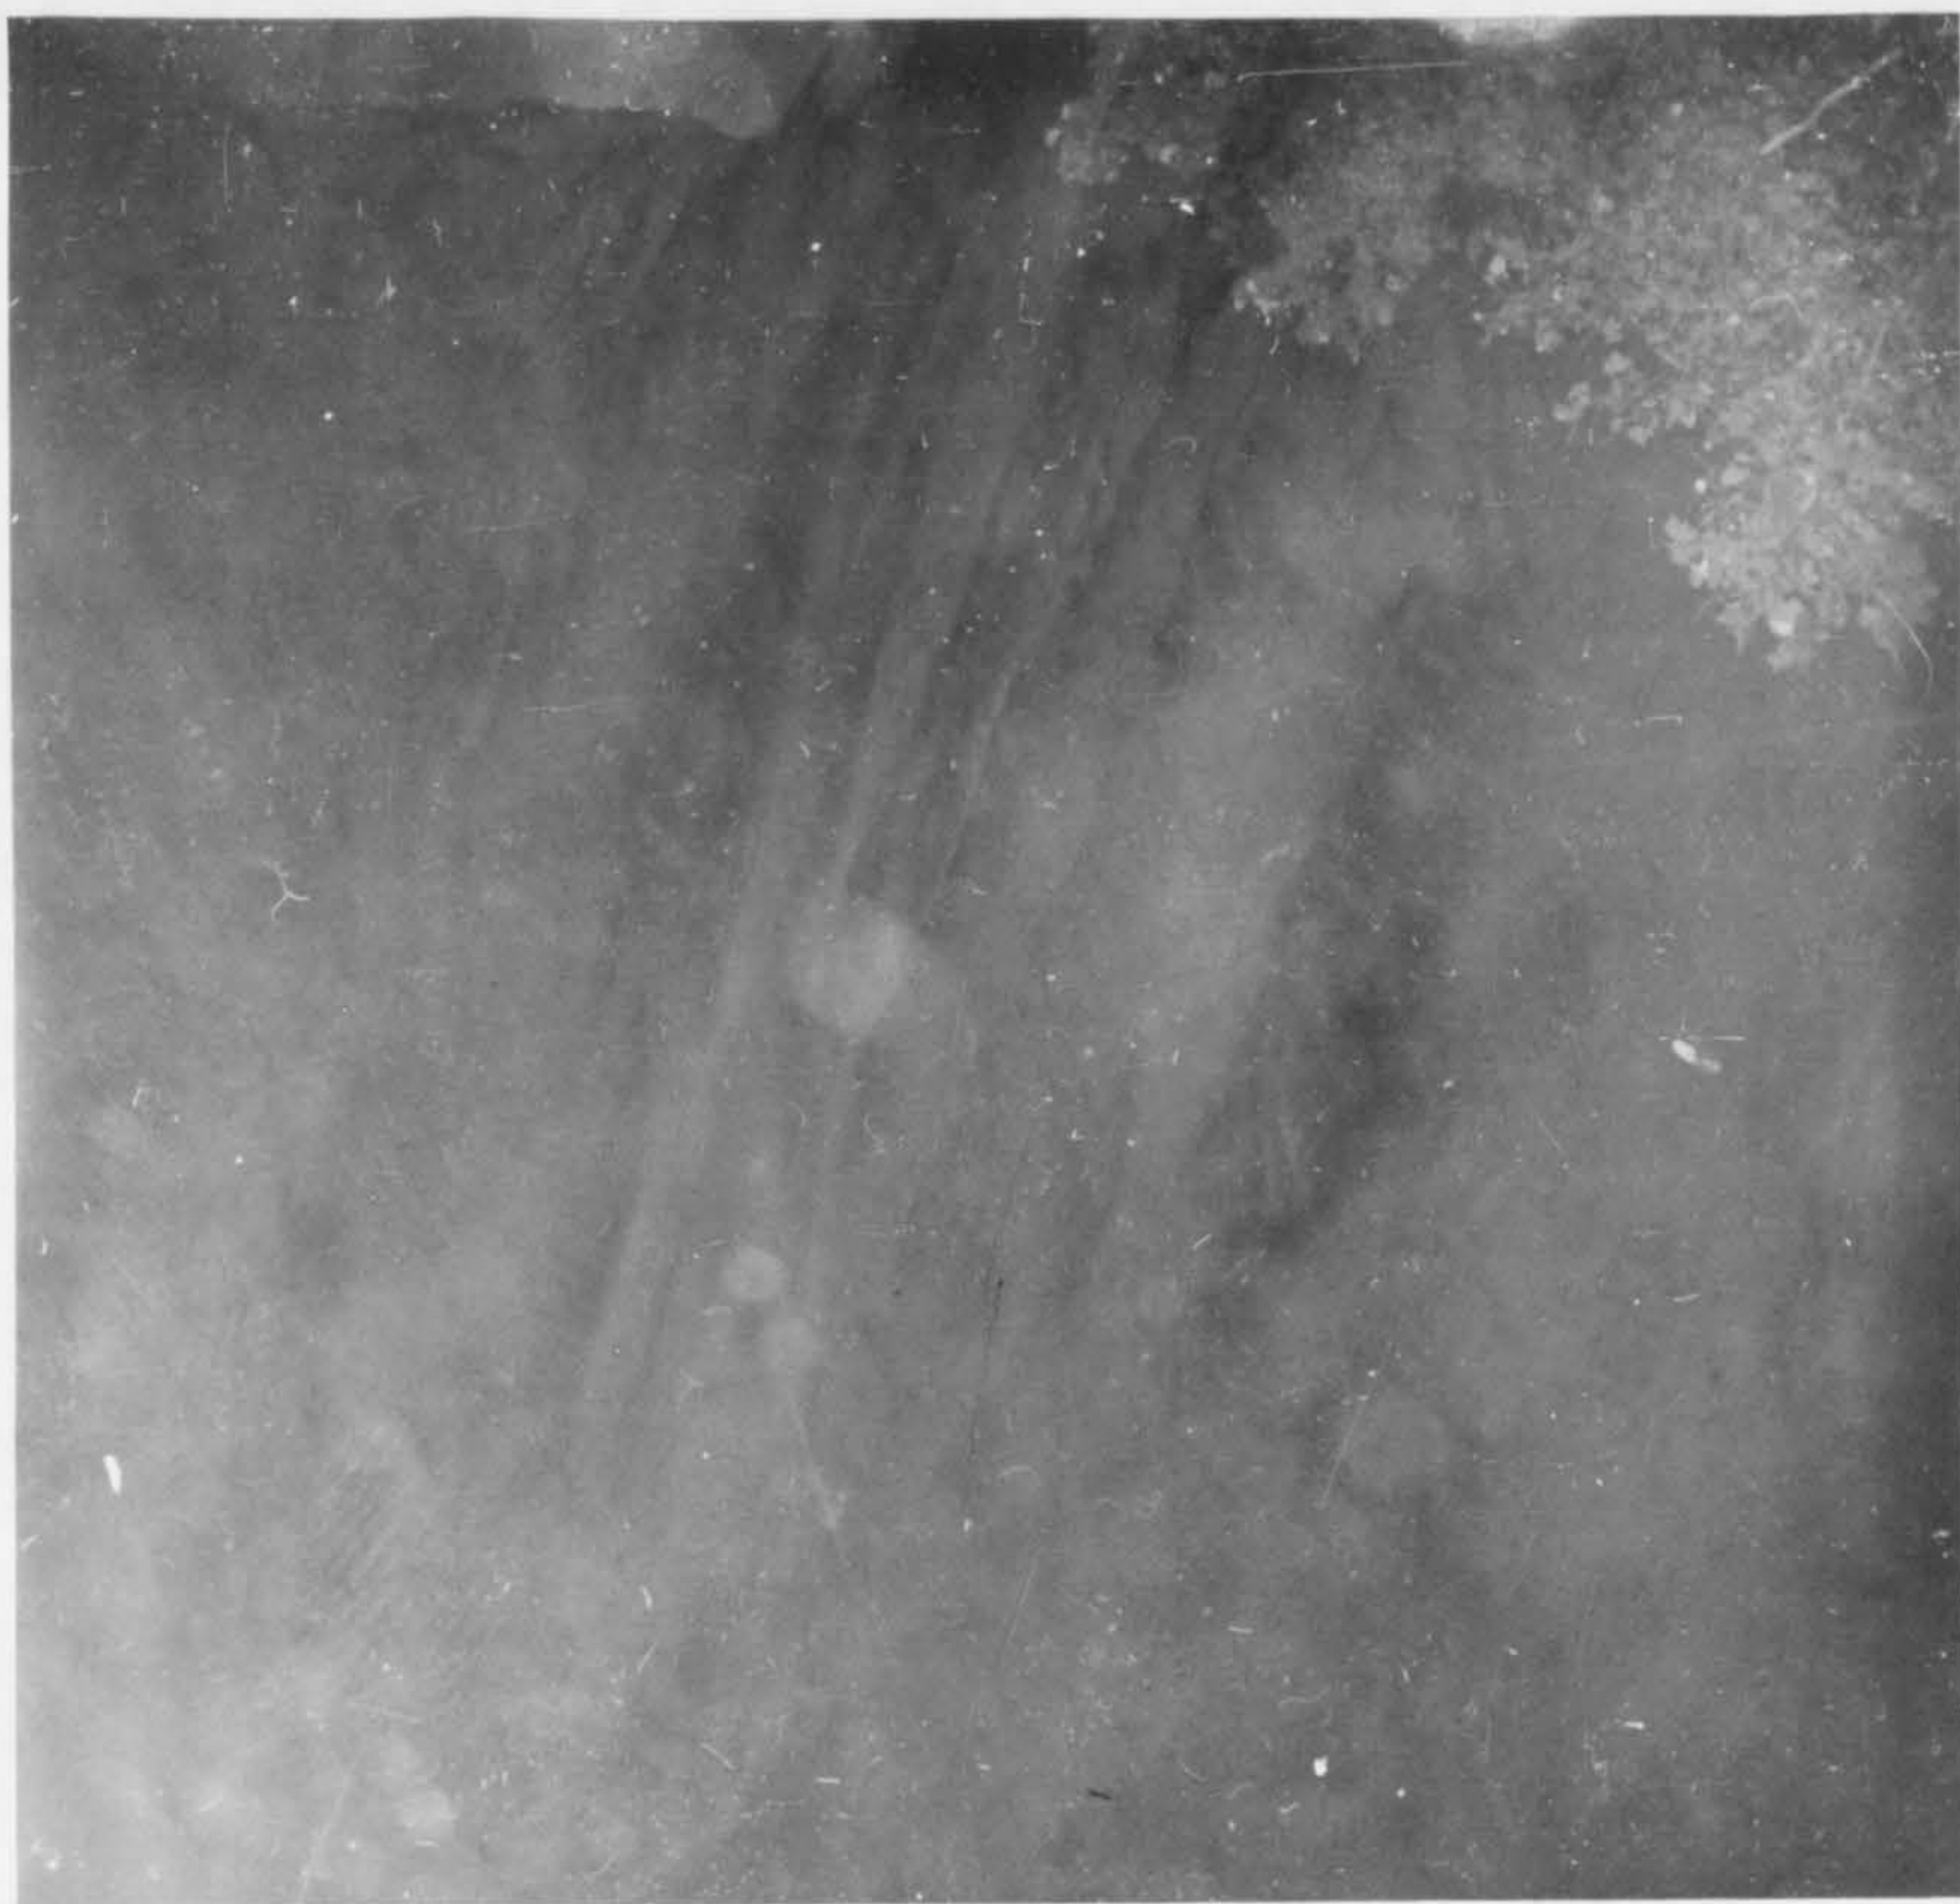

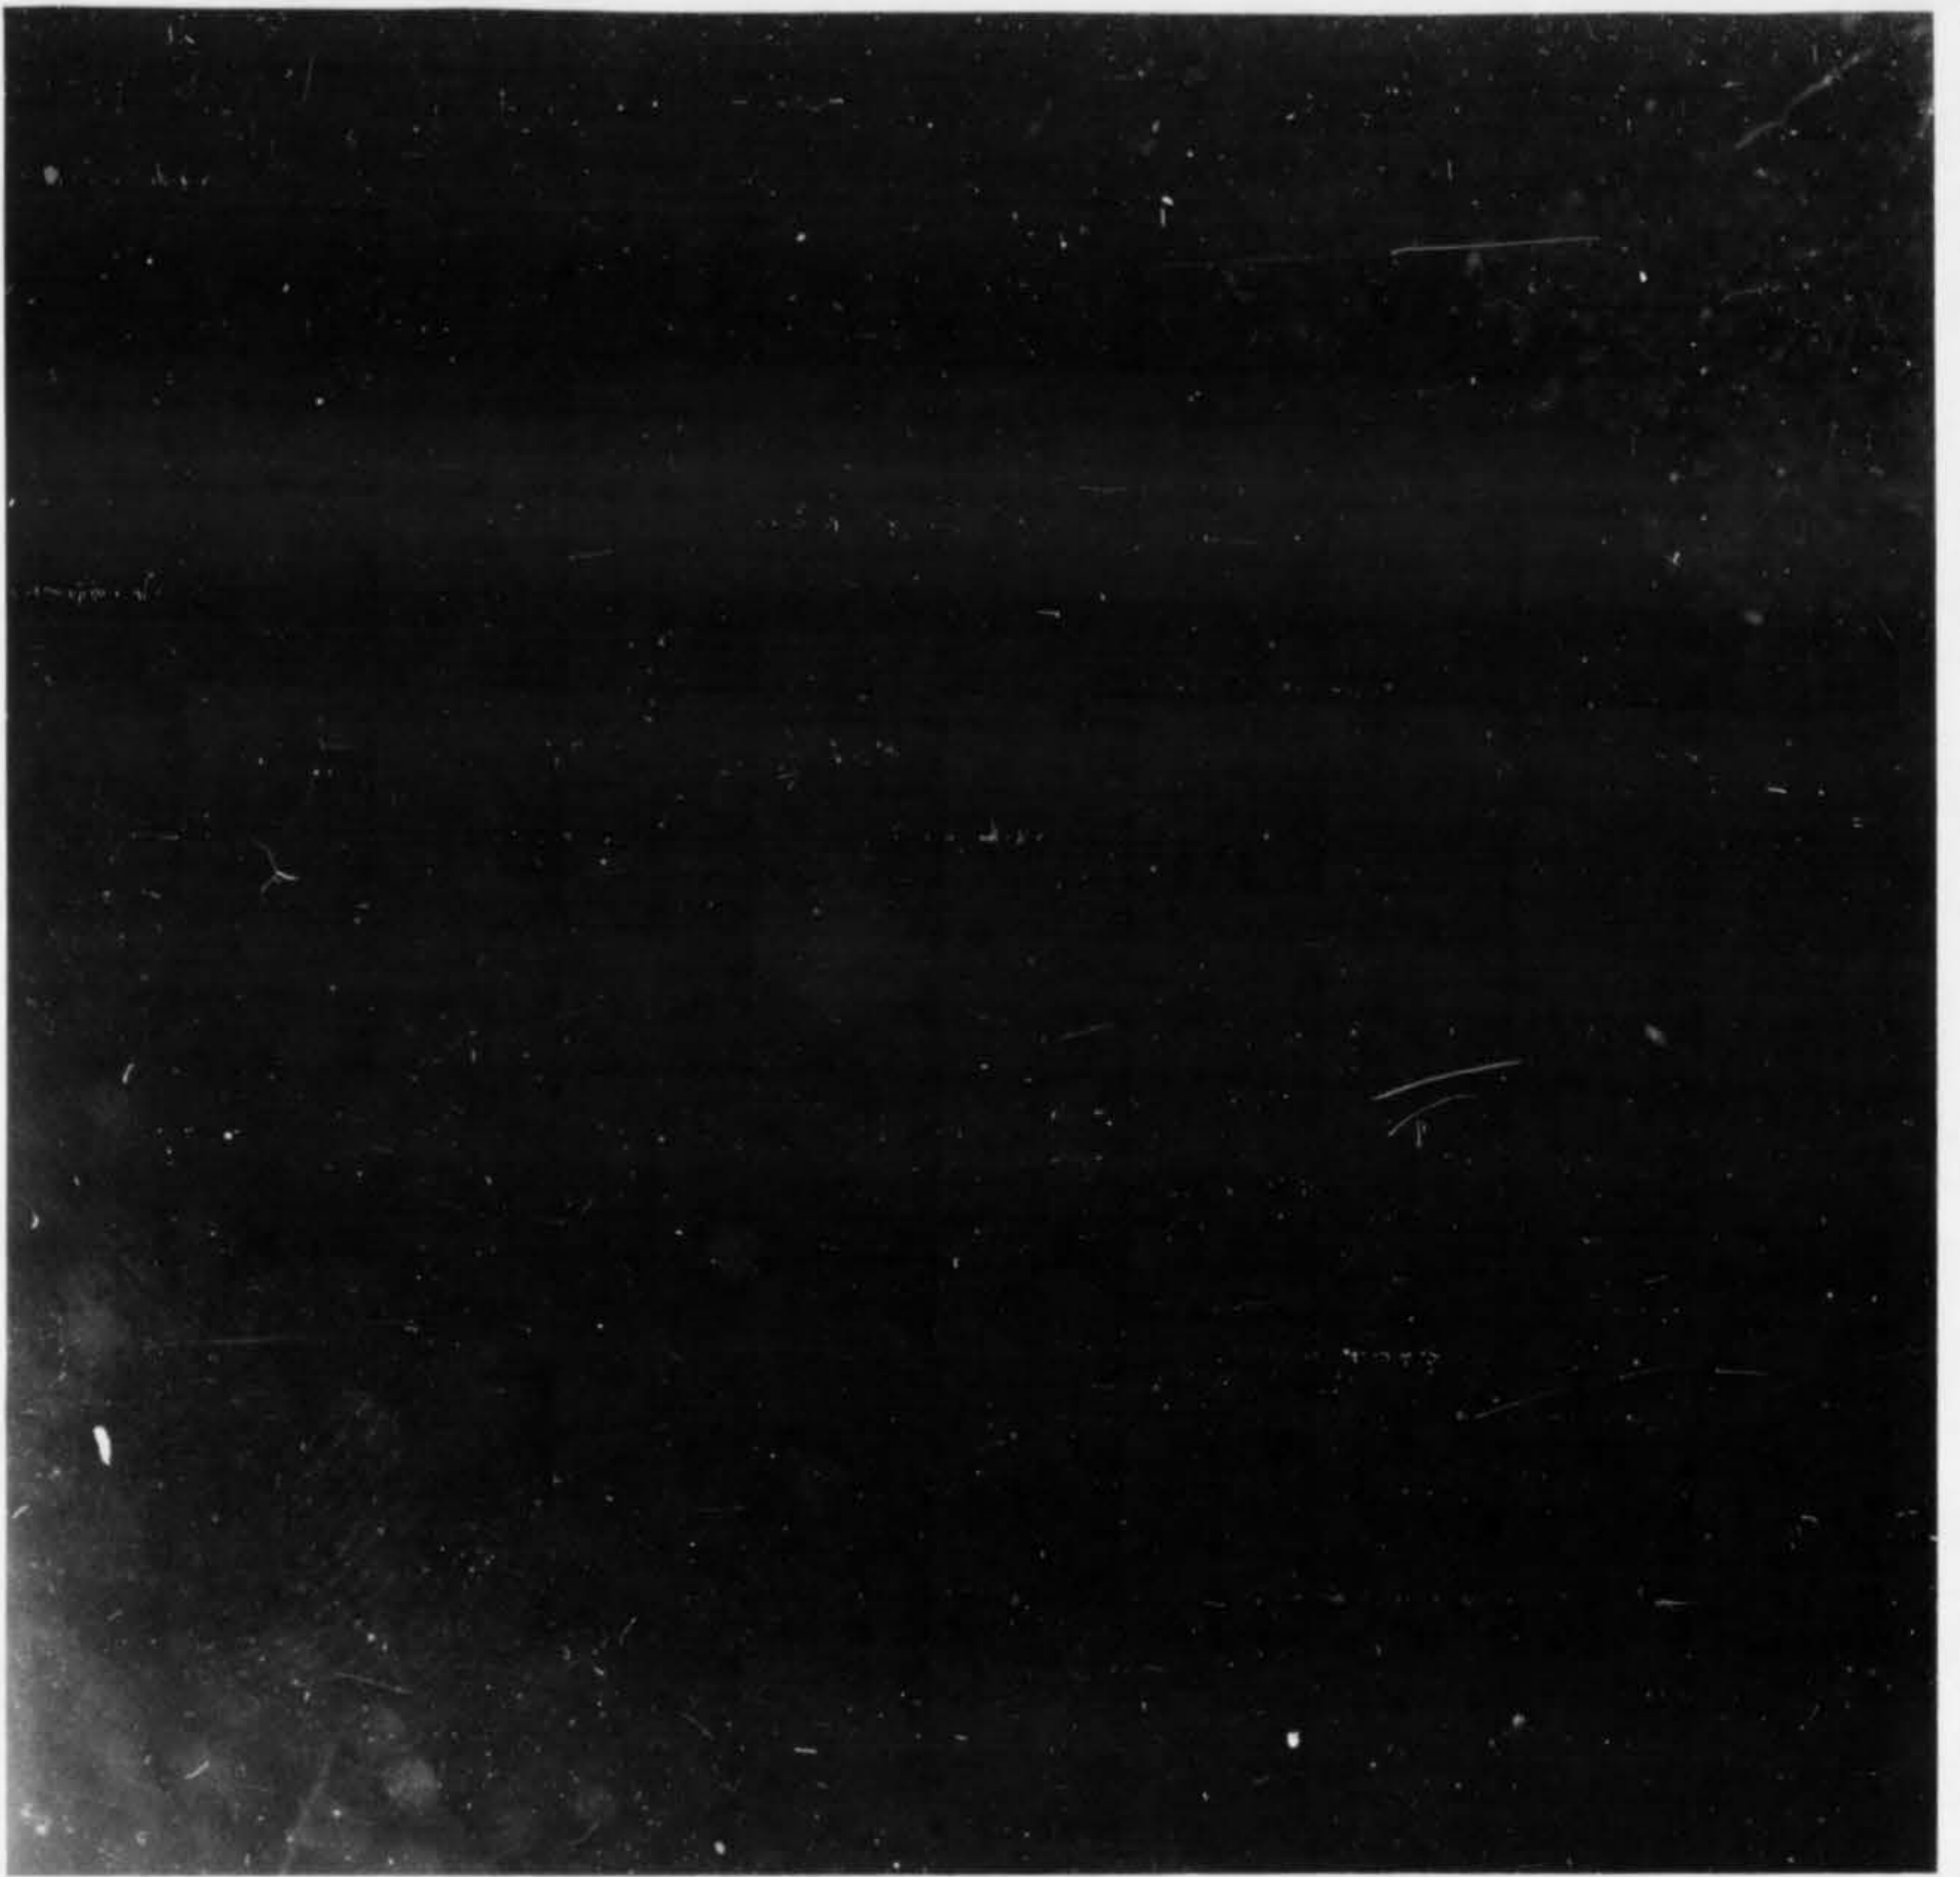

Flesh, Sediment  
Lakes like at J. P.  
Lake

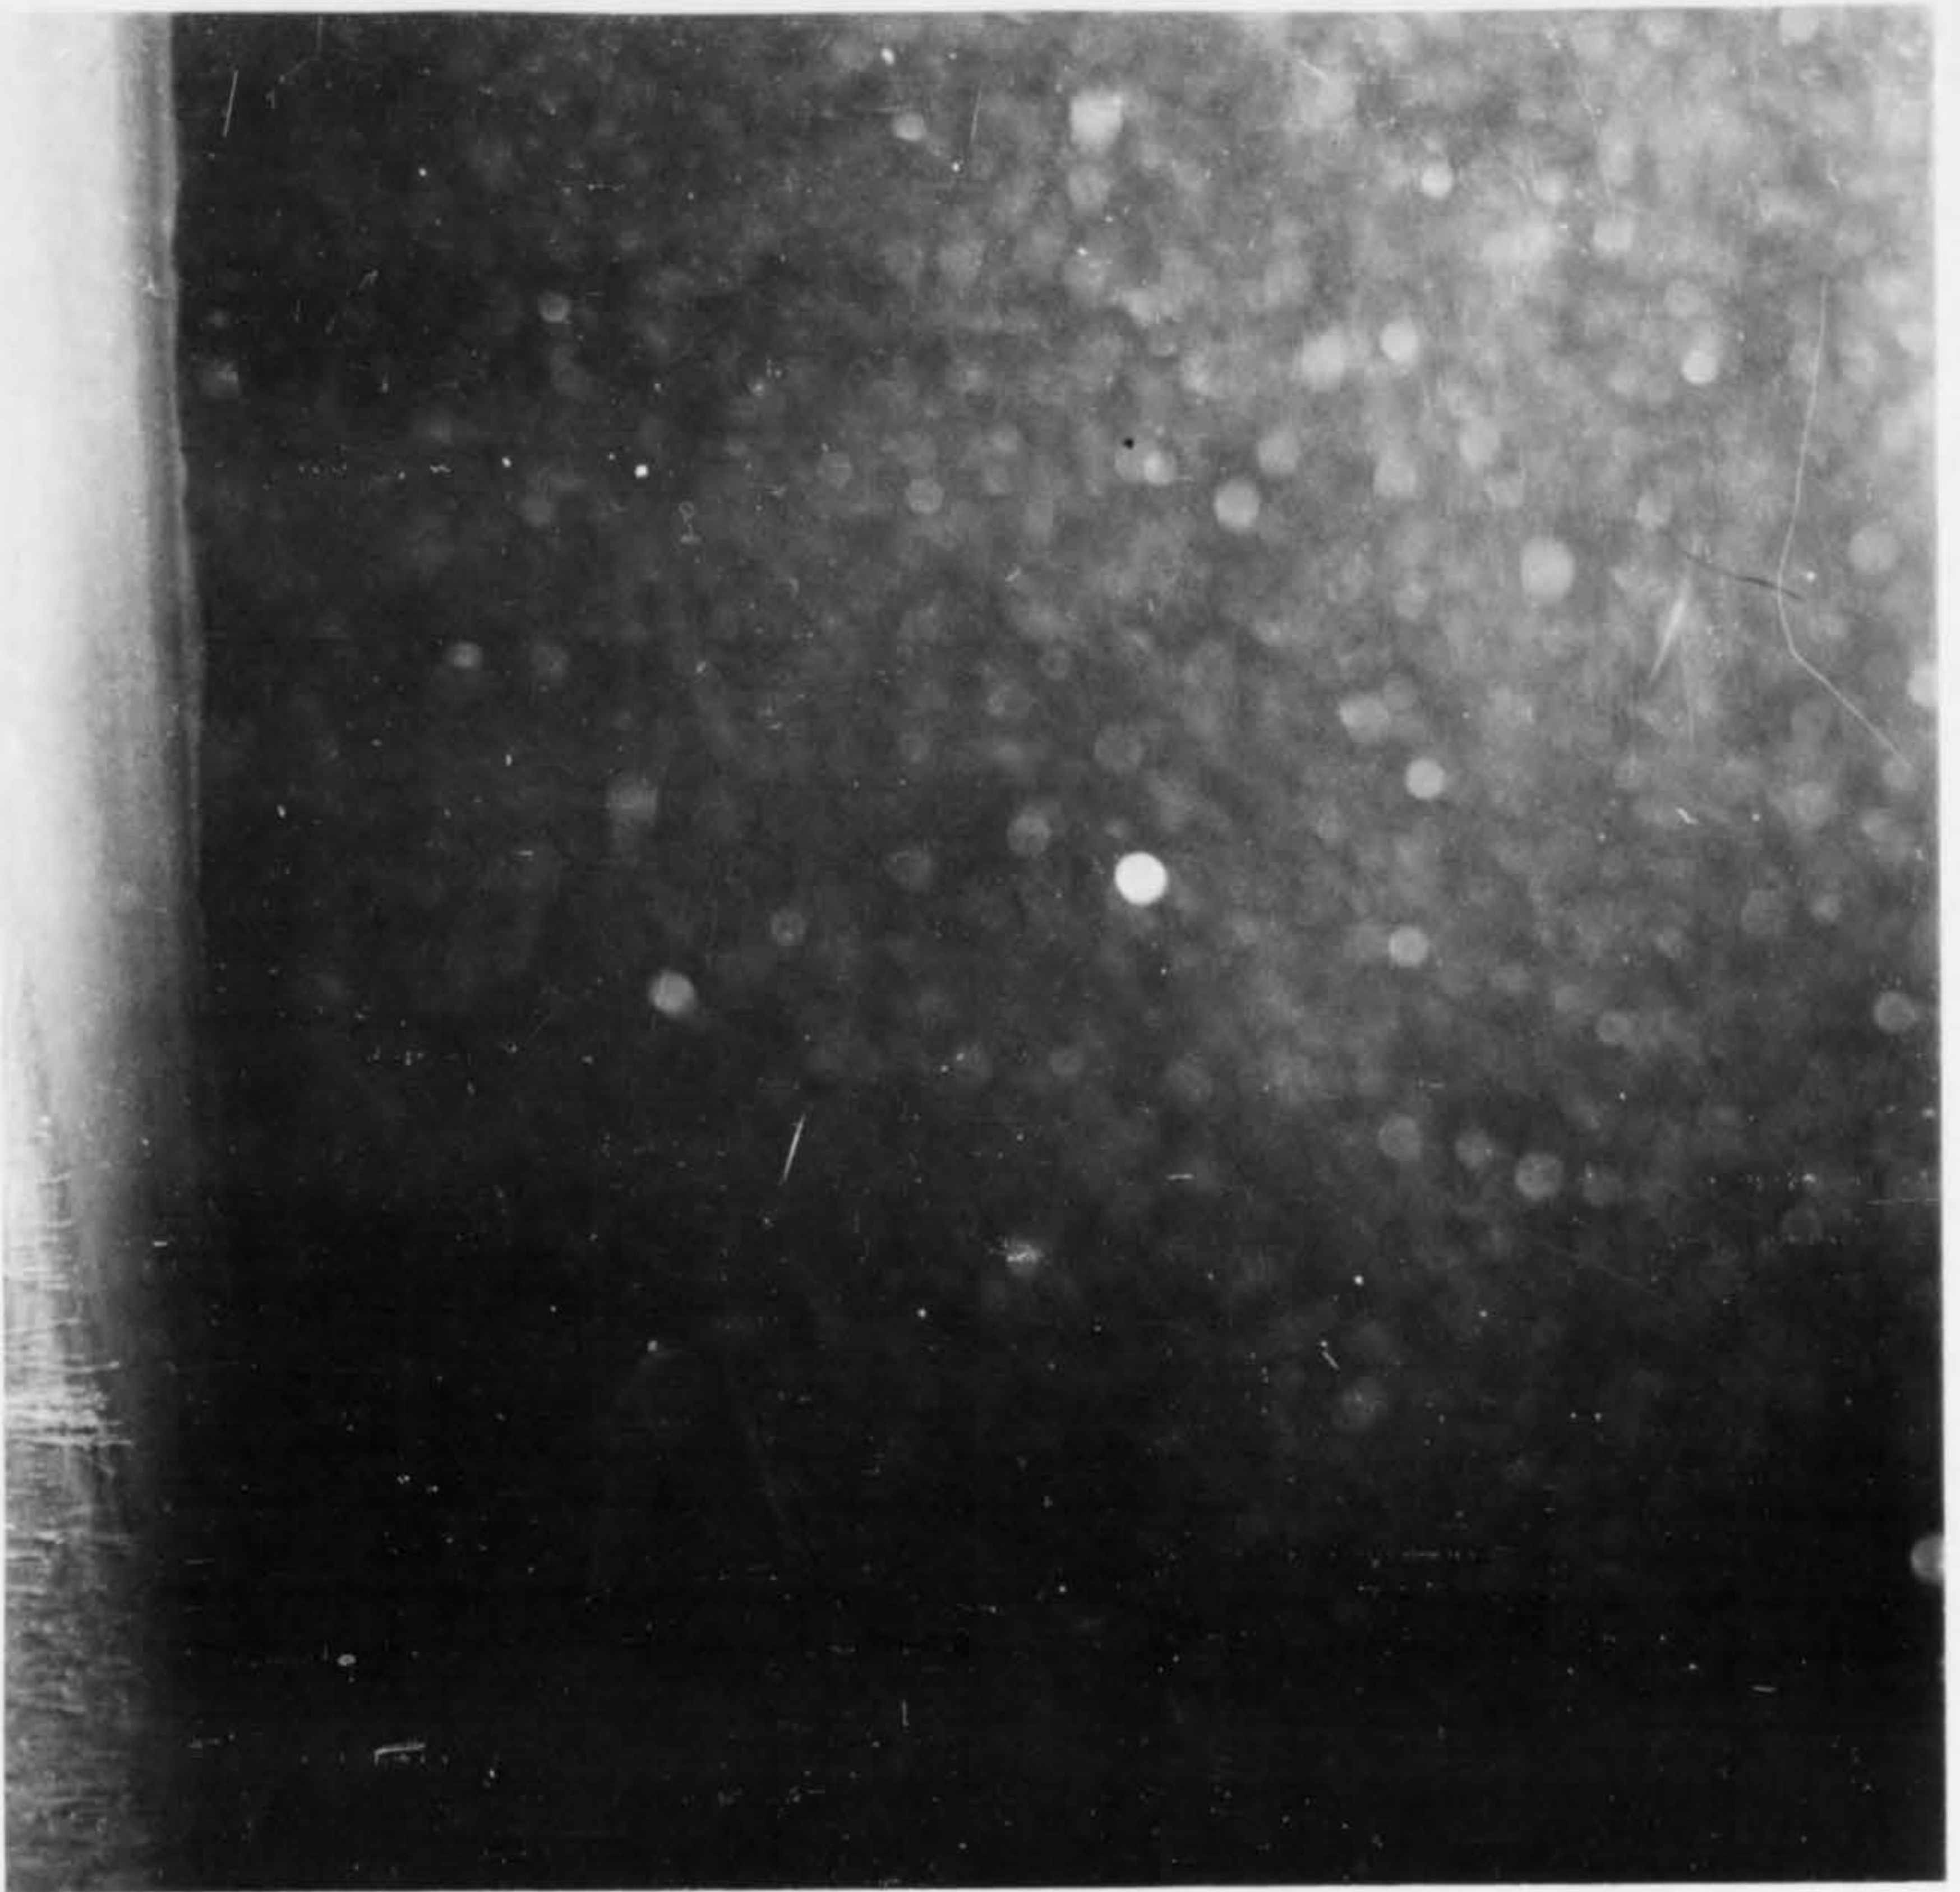

Objects encircled in red flaws. Object  
in yellow circle appears to be valid.
