K. Helicopter Pilot and Squadron Administrative Officer. I interviewed the observer Mr. [REDACTED], and received the above information from him concerning the object he saw. I am of the opinion that the flashing red light that Mr. [REDACTED] saw came from an aircraft a considerable distance farther away than he thought because it was at night and he stated the speed was very slow and that he thought it stopped three times and then disappeared. I gave Mr. [REDACTED] my opinion and he stated it could have been an aircraft, but wasn't sure.

Conrad, Montana

April 19: Conrad, Montana—A young farmer spotted an oblong UFO about 5:45 p.m. while driving his tractor in a field, when the sudden glare of reflected sunlight from the UFO caused him to look up. David Doheny, described by the local newspaper as "sober and industrious," said the strange silent UFO circled around slowly, at times hovering at low altitude. The editor of the local "Independent-Observer," who said he too had seen some strange UFOs, talked to Doheny and then advised him to report the sighting to the local Air Force base.

25 April 1960
Plymoth, New Hampshire

1960

On April 24 at Plymouth a large group of persons sighted a bluish-green flying object, saucer-shaped over Cape Cod and eastern Massachusetts.

April 25: Plymouth, N.H. — Former
Sergeant Arnold W. Spencer reported
seeing a bright cigar-shaped UFO
with blunted ends, hovering in the
eastern sky about 9:00 p.m. Then
it suddenly moved off to the south
at high speed, lighting up tree
branches as it passed, disappearing
in about 30 seconds.

The UFO was dark scarlet in color
and had bands or streamers of puls-
ating light running vertically
through the body. It was sharply
defined.

28 April 1960
West Thornton, New Hampshire

On April 28 a similar
cigar-shaped UFO was sighted by a
West Thornton, N.H., woman about
9:30 p.m. The bright red object
looked "like a huge candle or log
standing on end, pointed or tapered
toward the top." It rose quickly
casting a bright light on the ground
and moved off to the west.)
