Dear [REDACTED]

The Office of the President has asked the Air Force to reply to your recent letter in which you reported seeing an unusual object in the sky over Budd Lake, New Jersey.

The object you saw on both May 23rd and May 24th was ECHO I. This satellite was over your vicinity on May 23rd at 10:05 p.m. north of you, 84° above the horizon moving southeast, and on May 24th at 10:57 p.m. south of you, 59° above the horizon moving southeast.

We are inclosing a brochure on the subject of Unidentified Flying Objects which we think will be of interest to you. Included is a brief summary on the Air Force program for the investigation and evaluation of UFO sightings, plus statistics for the past 16 years on those reports which have been evaluated. Of special interest is the bibliography which lists several books pertinent to the subject.

Thank you for reporting this sighting to the Air Force. We hope the inclosed brochure will aid in understanding the Air Force program with respect to this interesting phenomena.

Sincerely,

(Signed)

C. R. CARLSON
