19th September 1966 Buck Harbor Air Force Base
Buck Harbor, Maine

The American Nazi Party in Arlington, Virginia
 is only a front for the true German Nazi
 Party which is in the underground. Hitler & his
 lackeys have developed the so-called A.F.U.
 as a front for the early 40's but it was
 an experimental model with this at that
 time. Now of course some twenty years
 later it is an affecting craft which is
 powered by magnetic force fields which effects
 computers around us that is mainly why
 we are practically no more at a distance.

When the statute of limitations is lifted
 from the Nazis was criminal in January 1970
 watch out boys! While every body has their eye
 fixed to either China or Russia, the Nazis are
 going to stab us in the back.
