Dear Sirs,

One night a show was just coming on and my brother was looking out the window. He too told me to look out the window, I saw what I thought was a flying saucer. At that same time my T.V. went nuts. I got my camera and took a picture of it when it was white, I was so excited I didn't take a picture when it turned red. (HE HAD BLACK AND WHITE FILM.)

It went over my house and started to pick up speed. That was the last I saw of it.

These lights were linking very fast, and they appeared large in my telescope. There has been Pitt Erie Airport here since I have been here, and I know enough to know it was not a plane, and it was off the regular approach paths, and going in the wrong direction. Dear Mr. ██████████

AUG 21 1967

Reference your correspondence regarding an observation and photographs of an unidentified flying object (UFO), examination of your negatives reveals that each object photographed appears to be an aircraft in flight.

(1) The first photograph shows a plus-shaped image with an additional, shorter crossbar to the right of center. Microscopic examination of this image reveals several features of a helicopter in receding flight.

(a) Less dense imagery at the upper end of the vertical crossbar suggests a tail rotor.

(b) Wider imagery at the tips than at the center of the horizontal crossbar is indicative of the main rotor not being "stopped" by the camera shutter speed.

(c) Only the starboard "flotation-type" landing gear being visible because of the under left side rear angle of photography.

(d) Various statements in your letter also suggest helicopter activity. They were:

1. Numerous vertical movements.....
2. Cigar-shaped.....
3. Very slow speed.....
4. Being visible for a 15-minute period.....

(2) The second, less distinct photograph, shows an aircraft approaching camera position, moving in right-to-left direction. A low-winged configuration is visible. A darker pattern, probably smoke, can be seen trailing the aircraft. A darker area on the upper side, left end, is probably the anti-glare area in front of the windshield. All of this suggests an aircraft configured similarly to the T-39 Sabreliner used by the Air Force.

Your two negatives are inclosed.

SIRS,

I WOULD LIKE TO REPORT THE SIGHTING OF A UFO. ON THE EVENING OF MARCH 31, 1967. IT WAS A FRIDAY NIGHT AND EVERY FRIDAY-SATURDAY NIGHT I GO OUTSIDE WITH MY TELESCOPE AND BINOCULARS TO WATCH PLANETS, ETC. THIS PARTICULAR NIGHT I WAS WITH ~~MY~~ BROTHER AND SISTER WHO ARE BOTH 12 YRS OLD. WE WERE SITTING DOWN WHEN MY BROTHER SPOTTED A RED LIGHT COMING IN VERY LOW (AT TREE TOP LEVEL). IT MUST HAVE BEEN ABOUT ONE MILE AWAY. WE JUST TOOK IT AS ANOTHER PLANE COMING OVER, BECAUSE ABOUT EVERY 5 MINUTES A PLANE PASSES OVERHEAD. THEN ALL OF A SUDDEN WE NOTICED SOME STRANGE MOVEMENTS FROM THE CRAFT. IT STARTED GOING UP AND DOWN IN EXTRAORDINARY FASHION. THEN IT MADE A 90 DEGREE TURN (THE FIRST OF MANY). IT CAME ALMOST DIRECTLY OVER OUR HOUSE. I LOOKED AT IT WITH MY BINOCULARS AND I SAW THAT IT WAS A CIGAR-SHAPED THING WITH A RED LIGHT IN THE BACK AND IN THE BACK IT HAD A GREEN LIGHT. IT DIDN'T MAKE ANY SOUND WHATSOEVER. THEN WE SAW A JET COME OVER AND THE THING STARTED TO FOLLOW THE JET. THE JET SEEMED TO PUT ON A BURST OF SPEED

4. NUMBER OF OBJECTS Two	11. BRIEF SUMMARY AND ANALYSIS  Wife heard a strange sound and looked out of the bedroom. She saw a saucer like craft travel toward lake Michigan. After watching it for about 20 minutes she awoke her husband. The craft was as big as a grey-hound bus. One Witness only saw the object over the lake. Finally another object met the first over the lake and the two moved to the west. Other reports were noted during this time as stated by the witness; however, they only involved a bright white light. The case is being carried as unidentified in the Air Force files.

AND OBJECT GAVE UP THE SORT OF CHASE. I THEN  
TOLD MY SISTER TO GO IN AND GET HER  
CAMERA WHICH IS A HAWKEYE BY KODAK.  
WE HAD A SPOT LIGHT SET UP AND MY BROTHER  
TURNED IT ON AND I TOOK THREE PICTURES.  
THE PICTURES FAILED TO COME OUT BECAUSE OF  
POOR LIGHTING. BY THIS TIME THE KIDS  
FROM ACROSS THE STREET CAME OVER AND  
SAW THE OBJECT. I WON'T MENTION ANY NAMES  
THOUGH. MY FATHER WAS OUT SHOPPING  
AND MY MOTHER ~~IS~~ IS IN A WHEEL CHAIR  
WITH M.S. , SO THEY COULDN'T SEE ANYTHING.  
THE OBJECT MUST HAVE BEEN IN SIGHT FOR 15  
MINUTES. IT WAS GOING VERY VERY SLOW,  
MUCH TO SLOW FOR AN AIRPLANE, AND IT COULDN'T  
HAVE BEEN A HELICOPTER BECAUSE OF  
NO SOUND. THE THING WAS AT ABOUT  
7:20 P.M. I AM ENCLOSED 2 NEGATIVES

DEVELOPED THEM ONLY COULD GET  
NEGATIVES BUT NOT PICTURES. IF YOU

MEMO for the Record: 8 March 67

Received a call from Major Nyls, Selfridge AFB, Michigan concerning a UFO sighted by various people in Benton Harbor, Michigan on 6 March 67 @ 0040EST. One observer Mr. [redacted] reported the observation to Major Nyls. Mr. [redacted]'s phone number is 983-3992 area code 616. He works at Station WSJM St. Josephs, Michigan.

Contact with Mr. [redacted] revealed that his wife had heard a funny sound in the driveway which had waken her up. The sound was like snowtires crunching on snow. She got up and looked out the window and saw a saucer traveling toward Lake Michigan. She watched this saucer for about 20 minutes then awoke her husband at 0100EST. The saucer was as big as a Greyhound bus. It was as big as a tangerine held at arms length. Its shape was oval and Mr. [redacted] could envision a saucer shape. Mr. [redacted] only saw the object over the lake. At 0142EST another saucer met the first and they hovered for several minutes before disappearing. Various colors were noted - red, yellow, green, and white. He said that they couldn't confirm that the saucer had made the noise. Other people called Mr. [redacted] again after he announced his sighting on the radio, all saying they had seen a similar thing. Mr. [redacted] was asked to describe the thing that he had seen and he said that it wasn't a thing but a flying saucer. He said that most of the witnesses only saw a white light. Mr. [redacted] address is [redacted], Benton Harbor, Michigan.
