1. PURPOSE: This report is in reply to Work Order 67-121, submitted by Major H. Quintanilla requesting that photo analysis be accomplished on the accompanying contact print and negative to determine what the unidentified object reported in the photo may be.

2. ANALYSIS: Examination of the negative, and an 8 x 10 enlargement of same, revealed no object which could be equated to the object circled on a contract print purportedly from the same negative. Possibly dust or some other object came in contact with the negative at the time of printing and was imaged on the print.
