SUBJECT: UFO Observation

TO: Mrs. [REDACTED]
Bellbrook, Ohio 45305

Reference your recent unidentified flying object sighting which you reported to the Air Force. The information which we have received is not sufficient for a scientific investigation. Request you complete the attached AF Form 117 and return it in the self-addressed envelope. Thank you for reporting your observation to the Air Force.

What I saw was: A craft that could remain completely motionless in the air; thus being able to remain still to make pictures. It is shaped like a child's top. It goes at a far greater speed than any jet. Completely silent. It can come straight down or go straight up. Not taking off like an airplane. It is white in color; in some instances looking not unlike a cloud.
