WASHINGTON 20330

OFFICE OF THE SECRETARY

February 13, 1969

Dear 

This replies to your letter of February 5, 1969, in which you stated that you had observed an unidentified flying object (UFO).

Without additional information, we cannot offer an explanation of what you saw. However, if you will complete the inclosed questionnaire and mail it in the attached envelope, our technical people at Wright-Patterson Air Force Base, Ohio, will be able to investigate further and make an evaluation.

Should you ever see another UFO, please report it as soon as possible to the nearest Air Force base. Each base in the United States has a UFO investigator. He is in a better position to make an on-the-spot investigation, which usually results in a more accurate analysis.

In the meantime, you might be able to identify your sighting by looking at the categories of objects often reported as UFO's in the Project Blue Book we are inclosing.

Sincerely,

/s/

JAMES H. AIKMAN  
Major, USAF  
Chief, Civil Branch
