

# NUFORC Sightings Report: 12/1951

***Date: 12/11/1951 01:00 | Location: Roswell, NM, USA | Shape: Sphere***

Globe seen in night sky moving slowly.

***Date: 12/01/1951 19:00 | Location: Crewe (UK/England), United Kingdom | Shape: Cigar***

This was in the city, I caught a movement over my shoulder and saw a very low black object going north. It appeared to be floating and
