

# NUFORC Sightings Report: 04/1953

***Date: 04/30/1953 16:00 | Location: Jamison, PA, USA | Shape: Cigar***

In the spring of 1953 my mother & I saw an IMMENSE silent grey metallic cigar shaped object moving from Doylestown toward Jamison.

***Date: 04/15/1953 16:00 | Location: Midwest City, OK, USA | Shape: Fireball***

Ball of yellow light with dancing spikes of light, around the circumference-one of the spikes reached out to me.

***Date: 04/15/1953 12:00 | Location: Los Angeles, CA, USA | Shape: Fireball***

Green fireball traveling north at a low altitude over Los Angeles

***Date: 04/10/1953 13:00 | Location: Chariton, IA, USA | Shape: Other***

" Flying Wing Before It's Time "

***Date: 04/01/1953 18:00 | Location: Cambridge, MA, USA | Shape: Sphere***

Two red-orange lights skirted Boston rooftops in opposite directions, then went over my dormitory in tandem.

***Date: 04/01/1953 15:00 | Location: Haverhill, MA, USA | Shape: Chevron***
