

# NUFORC Sightings Report: 12/1958

***Date: 12/18/1958 02:00 / Location: Mississippi (rural), MS, USA / Shape: Light***

Bright light paced our car then sped off at extreme speed. ((anonymous report))

***Date: 12/01/1958 19:15 / Location: La Mesa, CA, USA / Shape: Orb***

At first we thought it was a falling star. Then we realized it was coming in side ways from the east over the freeway (125) and it was
