

NUFORC Sightings Report: 02/1968

Date: 02/28/1968 18:15 | Location: McKenzie Bridge, OR, USA | Shape: Disk

Very unusual disc shaped object observed through a telescope with 7 pinpoint lights rotating around it like the second hand of a clock.

Date: 02/25/1968 22:00 | Location: Ironwood, MI, USA | Shape: Sphere

A small UFO we chased in a Piper Cherokee plane. Object led us in a circle then passed below us.

Date: 02/15/1968 19:00 | Location: Temple, OK, USA | Shape: Light

multiple sightings of red lights

Date: 02/04/1968 20:00 | Location: Los Alamitos, CA, USA | Shape: Disk

Large red orb with bright red light orbiting around it like radar hovered above me at @100 ft in the air then flew at incredible speed.
