

"Flying Teacups"

July 2 1947

Montreal Star, July 3, 1947

IT'S 'TEACUPS' IN THE SKY NOW

Vancouver, July, 3. (C.P.) The "flying saucers" gave way yesterday to "flying teacups" over Vancouver. A woman telephoned a newspaper office that she had just seen "the teacups" going over her house. It added another mystery note to the appearances of the mirror-like spheroids reported sighted in the states of Washington, Oregon and Texas.
