

# Alaska Highway Sightings

The British Columbia Ground Observer Corps - Nov 30, 1957

Flying Saucers, July-Aug. 1958. P. 61

---

The British Columbia Ground Observer Corps had six "good" sightings of a UFO described as a fireball from Mile 1127 on the Alaska Highway to Lethbridge, Alberta. The object was at about 30,000 feet, lighting up the St. Elias mountain range. Shortly before this, a similar report came from Skagway, Alaska.
