

# Four See Mystery Light

Vancouver - February 2, 1958

Penticton Herald Feb 3, 1958

---

**Four persons reported seeing mysterious lights over Vancouver during the weekend.**

**One man said he saw an object "like a star" move from northeast to southeast about 8:20 p.m. Sunday while two girls saw what they described as a white light which changed to green about the same time.**

**A large ball of light moving above nearby Grouse Mountain was seen after midnight by a North Vancouver resident.**
