

White Oval Light Over Victoria

Victoria, BC - September, 1966

CAPIC Reports. Vol. 1, No. 2, Jan-March 1967, p. 6.

[Canadian Aerial Phenomenon Investigations Committee]

Blue Book Report No. 10950. Sept. 1966. Canada.

Observed by Mr. & Mrs. Underwood at approximately 11:30 until 11:40 P.M.
There was no moon. They saw a white, oval light almost as large as one's hand at arm length. When observed through binoculars, the object seemed to consist of two small red lights and a large white light.
