

Shape-Shifting UFO South Of Quesnel

Quesnel, BC - June 10, 1968

APRO Files

Location of sighting: South of Quesnel, B.C., Canada (within a ring of hills surrounding the town)

Date: June 10, 1968

Time: Evening

Witness: Willa Peat

Age: 20-ish

Invoice Clerk, Lumber company

The object was "about 6 ft. long, 21/2 ft. wide and rectangular .. it changed to "like a big open book", then "like a 1/2 circle" then like a "tadpole" with head and tail, then got smaller and disappeared; then it returned further up in the sky "as in parts", then went together and disappeared again.

Witness was somewhat reluctant, but finally agreed to let her name be used. As she said "I feel sort of silly."
