

# Multi-Coloured Lights Over Kettle Point

West Vancouver, BC - March 27, 1969

Flying Saucers and UFOs. 1969. No. 3. p. 19.

Source: The Vancouver Sun

---

The Vancouver Sun reported that about 100 people watched a revolving object with multi-colored lights hovering over the Kettle Point area on March 27th. The disc-shaped object had flashing red, blue, green and white lights. It remained motionless for about an hour before beginning a slow ascent and disappearing.
