

## **Straight of Georgia "Star"**

**August 09, 1897**

**(47) Victoria, B.C. Semi-Weekly Colonist 12 Aug. 1897.**

**Loren E. Gross: Charles Fort, the Fortean Society, & Unidentified Flying Objects, p. 18**

---

**Monday, August 9th, Reeve Schou and other passengers on the steamer Rithet plying the waters of the Strait of Georgia, saw what appeared to be a very bright red "star" surrounded by a luminous, cigar-shaped, halo. The thing moved slowly, maintaining a constant altitude above the water and: ". . . occasionally there seemed to drop from the bright red star a shower of sparks . . ." (47.) - - -**
